Hot Off the Press From 3C's Desks

Hult Center Field Trip

The students were very well-behaved and respectful on their field trip to the Hult Center on Thursday. I loved their curiosity for learning and how eager they were to volunteer.

You'll have to ask them for some healthy eating recommendations over the weekend. You should also ask them what is happening in this picture!

Upcoming Curriculum

Reading: On Monday, I will return your child's Theme Test for them to bring home to you. Then we will begin Theme 2 which focuses on Asking Questions. We will complete this theme in 2 weeks. The test will be on Friday, September 22. I will make sure I get the study guides and matching cards into your students' hands by the Wednesday before the test.

Math: Today we began Chp. 3 "Addition". We are skipping Chp. 2 for right now because the students need to be able to add and subtract fluently in order to master some of the skills within that chapter. For now we will focus on addition and regrouping.

Progress Reports

Progress Reports are due to come home today, but I am holding them off until Monday. I would like to have your child's first theme test, vocabulary journal, and connection organizers as part of their reading grade and these things are not due to be turned in until Friday to be graded.

Progress Reports will come home in your child's BINDER on Monday.
